

## **SOMIS TOWN HALL MEETING**

On Wednesday, April 25, 2007, Supervisor Peter C. Foy held his first town hall meeting in Somis. More than 40 residents attended in order to meet personally with the Supervisor and to learn more about County issues impacting the community of Somis.

Supervisor Foy and attendees discussed traffic safety and lane issues on the 118 Highway, graffiti, and road and alley maintenance repairs.

“It was a great chance to meet with the residents of Somis. I feel confident that we’ll be able to address their concerns now and in the future,” said Supervisor Foy.
