

The County of Ventura has established a new Race Conscious Goal for all Federally funded contracts. Effective immediately contracts will begin including an appropriate DBE race-conscious goal to include African American, Asian Pacific American, Women, and native American business for all Federally funded projects. These four groups together will be referred to as Underutilized Disadvantaged Business Enterprises (UDBE). We have provided a list of UDBE's within a 150 mile radius for your convenience; however it is still recommended that Prime Contractors use the Caltrans DBE Directory to assist them in achieving the contract goal. If you are a UDBE and would like to be placed on this list, please contact Yvette Maldonado at (805) 477-1996.
