

# Ventura County Thrift Store & Consignment Shop Directory

June 2011

The old saying, “One man’s trash is another man’s treasure” still rings true in Ventura County. So the next time you have clothes, furniture or other household items you no longer want or need, why not donate them to a thrift store or take them to a local consignment shop instead of throwing them in the trash and sending them off to the landfill? Remember, when you donate reusable items or shop in consignment and second-hand stores you are saving money and helping Ventura County conserve valuable landfill space. Many specialty stores and second-hand furniture stores will buy and sell used pieces or high quality furnishings - please check your local telephone yellow pages for more information. The State of California’s CalMAX (California Materials Exchange) program is a popular web-based reuse program. Residents and businesses throughout the state can use the [www.CalMAX.org](http://www.CalMAX.org) reuse website to place “Available” and “Wanted” ads, for just about anything, FREE OF CHARGE! For more information visit the [www.CalMAX.org](http://www.CalMAX.org) website or call 877/520-9703. In addition, local publications such as the Pennysaver and the Recycler will often run ads free of charge; call them for details.

The following list is updated annually. Please keep us informed of thrift stores and consignment shops that are not listed or advise us if a store in the directory has closed its doors. Inclusion in this Guide does not constitute an endorsement by the Ventura County Integrated Waste Management Division. Contact us with questions or concerns at 805/658-4321.
